THE CONNECTORS APPLICATION

ArtsTech's mission is to better the lives of underserved urban youth through the development of artistic, technical, health, and educational skills. ArtsTech accomplishes this by operating a center for youth enterprise that provides educational and health services as well as hands-on training in fine arts and digital literacy. Additionally, ArtsTech builds and manages collaborative public/private partnerships that benefit the community.

Qualifications:

High School student ages 14-19

Enrolled in some form of educational services seeking high school

Must present an art portfolio (formal or informal) at the time of interview
